EDUCATION TO CAREER NETWORK OF NORTH SAN DIEGO COUNTY (ETCN)

The Education to Career Network of North San Diego County provides adult learners of all levels with high quality, relevant and accessible courses, programs and services.

5,300 students enrolled 1,000+ certificates issued

1,170+ career outcomes for jobs and raises 200+ postsecondary transitions

HOW WE SUPPORT OUR STUDENTS

Whether a student is taking a single class to learn a new skill, earning an industry certificate, or continuing their education at Palomar College and beyond, our experienced teachers and dedicated staff provide the necessary guidance to help every student reach their education and career goals.

The network provides support services to accommodate diverse learning needs, both in-person and online, to aid students in all stages of their educational journeys.

Education to Career Network Program Offerings

Our diverse program offerings **allow students to construct their own future** with an individualized plan that puts them in the driver's seat. With six schools and **more than thirty program offerings** to choose from, our experienced counselors help students to craft a unique course of action full of limitless possibilities.

By offering students the opportunity to participate in a multitude of career-preparatory events and activities, including ETCN Career Fairs, mock interviews, and resume reviews, **ETCN is dedicated to strengthening our region by supplying a strong, well-trained and prepared workforce.**

Each year, more than 15,000 students participate in programs and services offered through the Network.
