

Transforming Adult Education

<https://educationtocareer.net/>

About Education to Career Network

- Largest adult education consortium in San Diego County
- Five K-12 adult schools and one community college

Our Mission & Vision

Promote student achievement and preparation for employment by providing relevant educational programs that allow adults to contribute productively in their communities. ***In collaboration with our business and community partners,*** we will create pathways and seamless transitions to postsecondary education and/or the workforce. We will ensure students have the support services to accommodate their needs.

Course Offerings Across Institutions
